A COMMUNITY CELEBRATION OF LIFE  
HOSTED BY HOSPICE OF THE PIEDMONT

A virtual celebration at [www.hopva.org/MemorialIllumination](http://www.hopva.org/MemorialIllumination)

THE DARK TODAY LEADS INTO LIGHT TOMORROW;  
THERE IS NO ENDLESS JOY...  
AND YET NO ENDLESS SORROW.

—ELLA WHEELER WILCOX

During the nationwide emergence of COVID-19, our Center for Children art therapists, known as the *Journeys* team, conducted a first-time virtual *Journeys* Camp during the week of July 27–31. Throughout the week, the children worked together to write a song that they enthusiastically performed together via Zoom at the end of the week. It was truly amazing to see these grieving children relax, get to know each other, and work creatively and collaboratively to write lyrics to express their feelings. The lyrics created by participants in the virtual *Journeys* camp are below:

*Every feeling has a color and the colors change every day.  
You may think it's a riddle but feelings work that way.  
You may be sad, you may be glad but that could change every day.  
You may be scared, you may be mad, but feelings work that way.  
Sometimes you can't control them, but sometimes you can.  
Every feeling has a purpose, it's something to understand.  
They're experienced every day, always reach out for help if you need a hand.*

*Journeys* is part of the Center for Children at Hospice of the Piedmont. This program supports children and teens in central and northern Virginia with loving, compassionate, non-medical care. There is never a cost to participate in the Center for Children programs, thanks to the generous support of our community. ## OUR SINCERE GRATITUDE

- To all who have purchased lights in memory or in honor of their loved ones. All contributions to the Memorial Illumination help sustain Hospice of the Piedmont in its vision to ensure that no one in our community dies alone or in pain.
- To Ron Cottrell, for your leadership and dedication.
- To Dr. Tim Short, for sharing your experiences through thoughtful and inspiring words.
- To Eve Watters, for your gifts of music and song.
- To the readers, Ann Frazier, Teresa Haase, Helen Karls, and Adam Wagner... we thank you.
- To the Hospice of the Piedmont staff and volunteers, who contributed so freely to the 2020 Memorial Illumination celebration by planning tonight's program, and logging and acknowledging the hundreds of gifts to the Memorial Illumination. We appreciate you all deeply.
- To the staff at Culpeper Media Network, Jon Krawchuk and Nicolle Wootten, for the beautiful production of our annual celebration. Thank you for making this event possible so that we could all share this moment together as a community.

Contributions for the 2020 Memorial Illumination will continue to be accepted and acknowledged throughout the holiday season.

Tonight the lights will be lit on the tree located on the front porch of Hospice House, 501 Park Street, in downtown Charlottesville, and will remain lit through the first week of January 2021.

*Celebrating the 16th anniversary of the opening of Hospice House*

The Newton & Wilma Thomas Hospice House provides eight private rooms in a home-like setting, with round-the-clock care for patients who do not have a caregiver or for those whose needs are too great to be met at home.

Admission and specific placement within Hospice House is determined by our clinical services team's evaluation for each patient. Room and board charges associated with round-the-clock staffing and care at Hospice House are not covered by insurance, but families only pay what they can afford. Thank you to our generous community for making this possible.

Since 2004, we have had the privilege of caring for more than 1,300 patients at the Hospice House.
