A virtual caregiver's group is a time for caregivers to give back to themselves; a time to process things such as identity, anticipatory grief, and self-care. **Starting October 5 from 1–2pm and ending November 30th.** *Participants can attend just one time or as many times as needed.*

Healing-Grief and the **Holidays Workshop, Part I**

Monday, November 14, 3 - 4pm

Healing-grief can occur in spite of or even because of the holidays. As we head into the holiday season, those of us who have experienced loss may be feeling a wide range of emotions. Coupled with unrealistic expectations and commercial hype, the holiday season may seem more overwhelming than happy or merry. This is NORMAL. Under the best circumstances, holidays are stressful. Therefore, it's important to hold onto the hope that this season can be a positive experience, especially by connecting with others and considering some suggestions that may ease the stress. Please join us for a time to learn some tips and share your own practices and strategies for navigating the holidays.
